REMARKS/ARGUMENTS

This Amendment is submitted pursuant to a telephone conference between Mr. John Weiss and the undersigned reaching agreement as to amendments to the specification and drawings to place this application in condition for allowance.

By the present Amendment, the subject specification has been amended at the request of the Patent Office to add drawing FIG. 2B from provisional application 60/188,110 to which the subject application claims priority, which is described in the text of the original specification. Minor amendments have been made to the specification to refer to FIG. 2B, FIG. 2 has been renumbered to FIG. 2A, and the brief description of the drawings has been amended to refer to FIGS. 2A and 2B. No new matter has been presented by this Amendment.

There being no further issues in this matter, a Notice of Allowance is requested for Claims 61-67 of the subject application.
